16<sup>th</sup> November 2023

Dear Parent,

This year we are working in collaboration with Print It Banbridge to produce our Christmas cards. Print It provide a real work environment for adults with autism and learning difficulties.

Each child has an opportunity to design or decorate a template of his/her own Christmas card. If your child wishes to use a different template to the one, he/she initially chose, an alternative can be printed from the school website at <https://www.stmarysbanbridge.com>.

Every card is individual and unique. A pack of cards will be on sale at a price of £6 per pack. Grandparents, relations, and extended family may wish to purchase these cards. The children are always very proud of their creations. Should you wish to purchase, please fill in the order form below and return it with your child's completed template to your child's teacher. All profits will go to the school via the PTA.

Over the coming weeks, I would appreciate if you could return the slip stating how many packs you require to your child's teacher. Please enclose payment with your order. It will take a few days to print. **All orders must be received by the school by Monday 27<sup>th</sup>** November. **We will not be able to provide any packs after this date.** It is anticipated that packs will be ready towards the end of the following week.

Yours sincerely,

Mary Kate Boyle (Chairperson of PTA)
